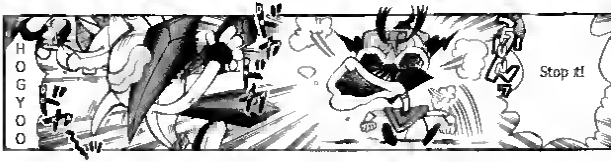
STAGE7
GO! To Outer Space
on a JetPack!

I've finaly colected all Power Stones!!
I did it !
PAPAPAPAPAN
Tawna!
Well done Crash!
TADA
—HI
You're a true hero !!
Master Crash!
YAAY
Of course Tawna!
I'm sorry I was so foolish.
What business do you have with me after you left me?
COUGH
COUGH
Pl to♡
You'll forgive me right, my hero..

Kiss
BUCHU
CHUN CHUN
Didn't she leave you a year ago?
T-Tawna is...!?
EEEH, Aku Aku!?
What do you think you're doing Crash??
Must be hard for you
What, it was just another dream
TETAN

I was told that I'd become all irresistible and stuff if I colected all 25 of the Power Stones...
But so far we've only gotten four of them...
I wonder if there even is that many of them



HOGYOO
Stop it!

It can't be helped, since we don't know where they are!
But they shine so brightly, you'd think they'd be easier to find
!
SHINE
That's it! We might be able to see ther shine al the way from space!
Huh?

Wat, waait!
Cmon let's go!!
Things got so interesting! Let's go to space!
I don't think it'll be that simple
If we check it, we could figure out where they are!
Don't worry!
There's a lot of things you need in space!
Where do you think you're going?!
I'm already prepared!
Kekkeke! Just like always, you're a fool, aren't you Bro?

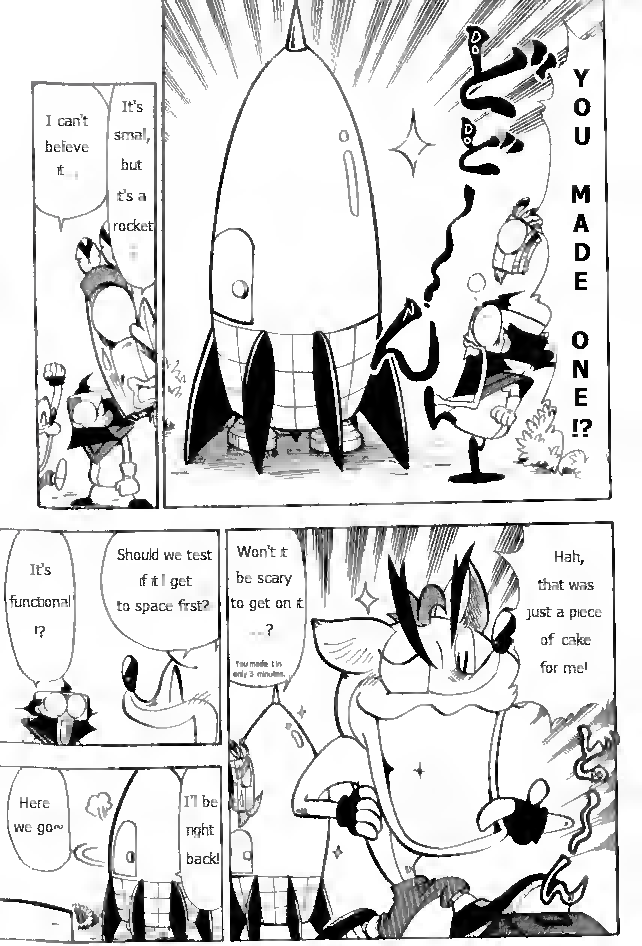
Seriously, what's up with those clothes Where do you think you're going??
Keke, long time no see Bro!
Rihu!!
Don't be ridiculous!!
TH DA
So that you won't offend any aliens you meet, a formal sut is requred
Isn't it obvious?
Wel, how am I supposed to dress up then?

Yeah, those two taking the spotlight...
GU GU GU
Seesh, what's up with these two...
SHARCE
Don't you start too!!
At least give my collection a chance!
But haven't we forgotten something?
COUGH
We'll leave that to you!
I'll go and get you some spaceman suits.
But what do we do now?
... Let's forget that then

. . . . . .
AHEM
You can ask me anything!
KIRAKIRA
It's my time to shine, because I'm a scientist!
Oi!
Somehow I know this "scientist" is going to run everything
... This may not work out after all.
FABBLE KABBLE
KUSHA
... How did you even come to that conclusion
HOHOHO
Oh no! I have to increase my weight then!
Eeeh!?
First off there's no gravity in space- kinda like if you lost all of your weight!

Smal
objects orbit
large ones
I need
to suck
some m!!
Bleah
Also
there's
no air in
space
And lastly
when bad
children go
to space
GOHAAH
Like
this?
UHYAAA!!
Bad
killer
aliens
appear
!

Let's hurry up and go!
But I was right, space is cool!
I'm sorry I'll be nice!
Oh, right.
But that's the thing, we need a rocket to do so...
CLANK CLONK
I'll make one!
As if I'd give up now though!
Don't be silly, as if...
Phew!
Alright, I'm done!



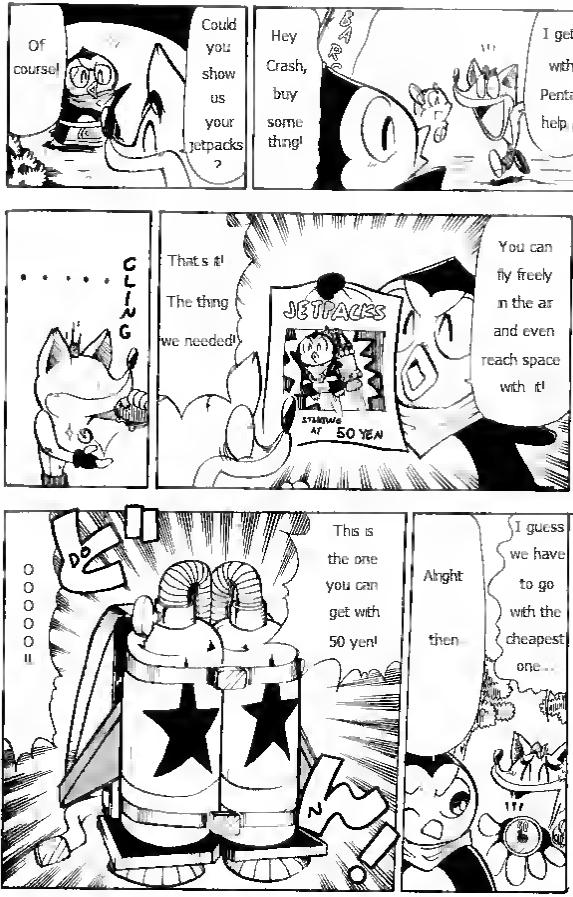
I can't believe it...
It's small, but it's a rocket
YOU MADE ONE!?
It's functional?
Should we test it if I get to space first?
Won't it be scary to get on it...?
You made it in only 3 minutes.
Hah, that was just a piece of cake for me!
Here we go~
I'll be right back!

SHUPO~~N!
LAUNCH!!
5!
GOO
GO
4!
3!
Oooh, there's some smoke coming out!
2!
1!
HYURU RU
RU
RU
RU
Well, did it go well?
BAM

I give up
It's the Launch Pad, what else?
What's the point of the huge part that was left on the ground!?
SHAKE
SHAKE
What the hel was that!? Freworks dressed up as a rocket?!
Wha
SHAKE
A flying saucer?!
COUGH
I guess there's no other choise, we have to use the flyng saucer which I made with my soence-skills
I left it some where here !
He probably just forgot it!
RUSTLE
BODY— PRESS!
If you had one from the start then you should've said so!!
HOGEE!!
What, are you afraid of my soence-skils?

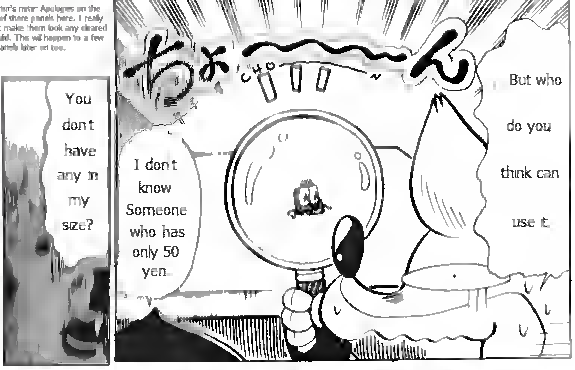
Just what could've happened to it...
M... My flying saucer...!!
AAAAH!?
Where did the other half of it go to?!
Crash!!
PIKU
It... it was *that* flying saucer?
You used it as material for this thing?!
This thing won't fly anymore

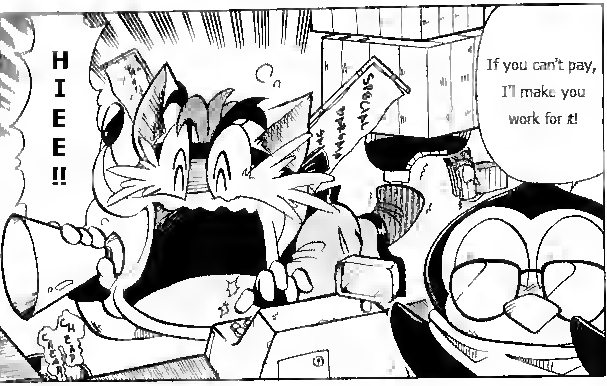
RU
RU
RU
BRO!
I guess we just have to give up now.
Really?
A way for you to get to space!
I found it!
Rhu!
GRAND DEMON SHOP
STONE TRAP
JETPACKS
50 YEN
Welcome, welcome!
A Special Bargain Sale on JetPacks!
金 = gold money
Too troublesome about edit



Of course!
Could you show us your jetpacks ?
Hey Crash, buy some thing!
I get it, with Penta's help...
. . . . . CLING
That's it! The thing we needed!
JETPACKS
STARTING AT 50 YEN
You can fly freely in the air and even reach space with it!
OOOOOO!!
DO
This is the one you can get with 50 yen!
Alright then...
I guess we have to go with the cheapest one...

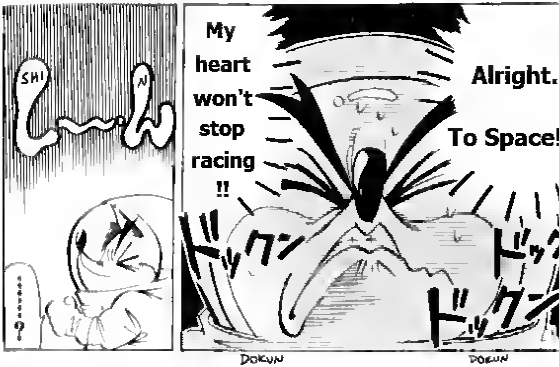
Translator's note: Apologies on the quality of these panels here. I really couldn't make them look any cleared than I did. This will happen to a few other panels later on too.



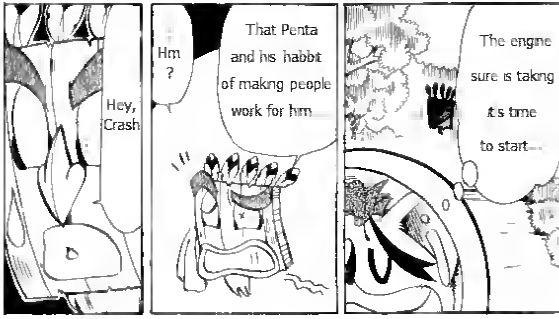


But
Because of him we had to work non-stop for a few months
I'm tired
.....
Let's get on with this!
YAY!
With this we'll finaly get to space!!
But we finally got the JetPack!!
RUSTLE RUSTLE
Ugh, I can't reach the other shoulder strap
As if I'll let Crash have all the fun alone
I too feel like going to space, now that you mention it

Well then, do your best!
Ah, thanks!
DO SA
Here, lemme help ya!



SHI
N
?
My heart won't stop racing !!
Alright.
To Space!
ドックン
ドックン
DOKUN
DOKUN



Hey, Crash
Hm ?
That Penta and his habbit of making people work for him
The engine sure is taking it's time to start...

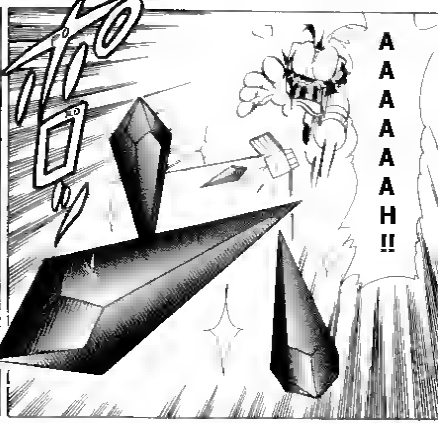
Still not ready..?
DOKI-DOKI-
What are you doing with that bag?
I too want to fly around~
He really got tricked good!
I wish I could see Crash's face when he realizes what happened!
BAHAHAHAH!

GOU
Time to run!
CORTEX!!
What, he already noticed?!
Waaait!
No way!
Idiot get off of me!
FUGAAAA!
カバーラ
As if I'd let you!
Tricking me like that isn't fair!
GURI GURI GURI
OWOW!!

gets...

KUWAN
KUWAN
Shut up! With things like these the first who...

The Power Stones we took so long to collect...
SPARKLE!



AAAAAAAH!!

Hey wait a second
SPARKLE
SPARKLE

Huh !?
Do you realize what you've done?!

I guess this wasn't such a bad idea after all
You're right!
Look! The shine of Power Stones all over the world!
SPARKLE
Alright, we've figured out where they are,
Let's fight later, if we continue we might run out of fuel!
Don't act like you had thought up this plan!
our next stop is the Earth!
WHAT FOR HAVE WE BEEN WORKING LIKE?
Ther adventure wil be continued...

Sadly, this is the end. The series was supposed to be continued, but the third volume of the comic was unfortunately canceled.

So yes, the adventure will not continue.

Thank you for reading the comic and staying with us for these two long years!

"Crash Bandicoot - Dance! Then Jump! It's a Grand Adventure"
(*Kurashu Bandikuu Dansu! De JUMP! Na daibouken!*)
was writen and drawn by ***Kawashima Ari.***

The chapters were provided by FierceTheBandit, cleaned and translated by SnowLady4Ever.
